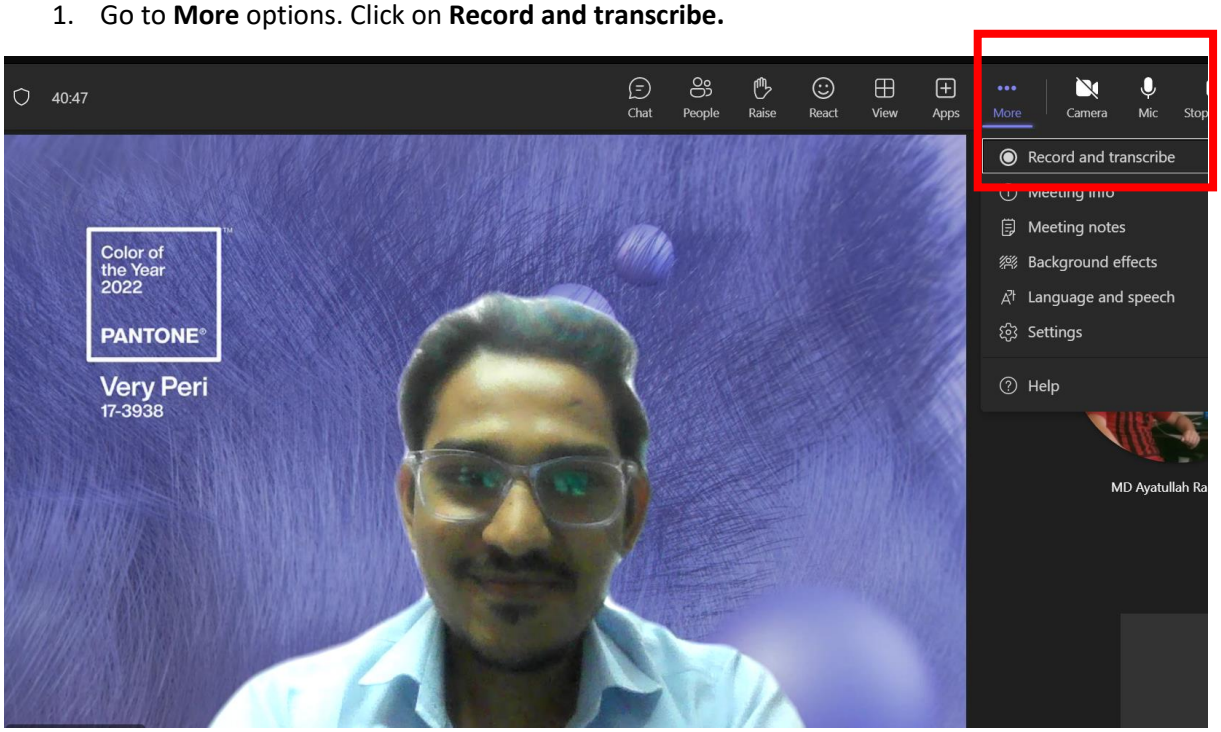
Steps to trim video from interview meeting.

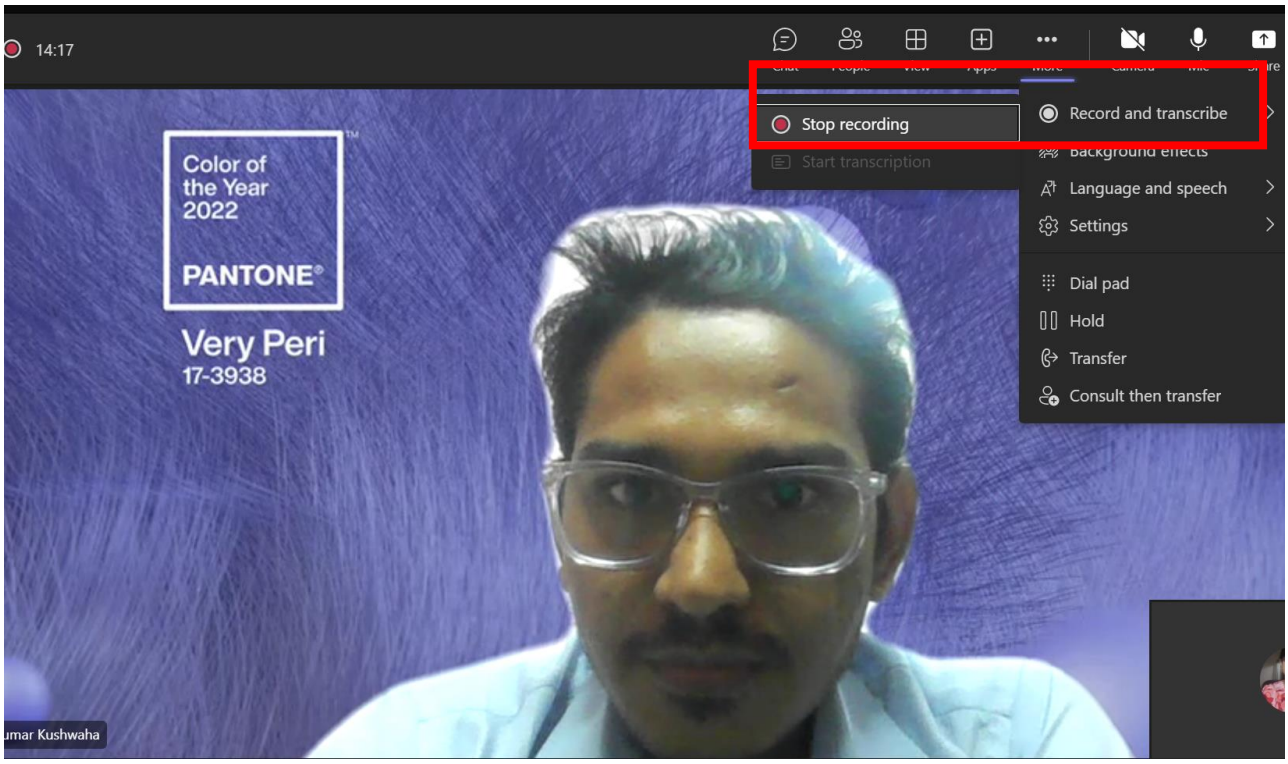
Dear Recruiters

This document will guide you how to trim and upload candidate's video on ATS. Please **note*** that video upload is necessary to enable panel for filling feedbacks. Once the video is uploaded, it can only be changed until panel has filled the feedback. Please go through the below steps to complete the process after you have started meeting.

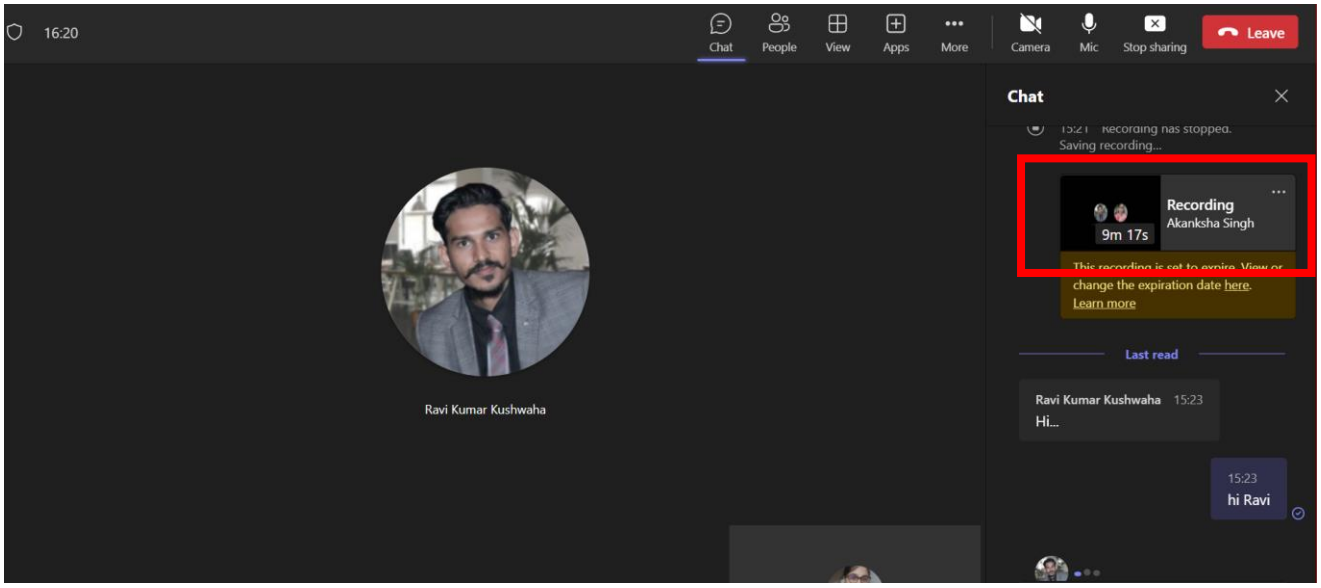
1. Go to **More** options. Click on **Record and transcribe.**



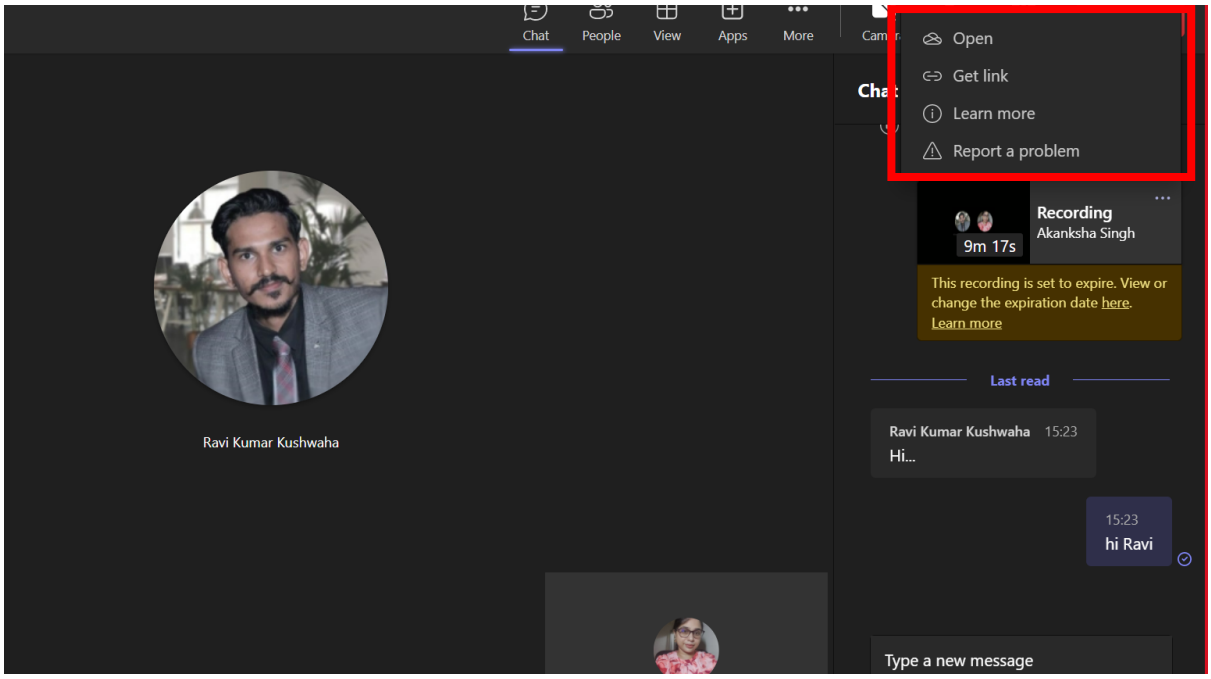
2. Stop the recording.



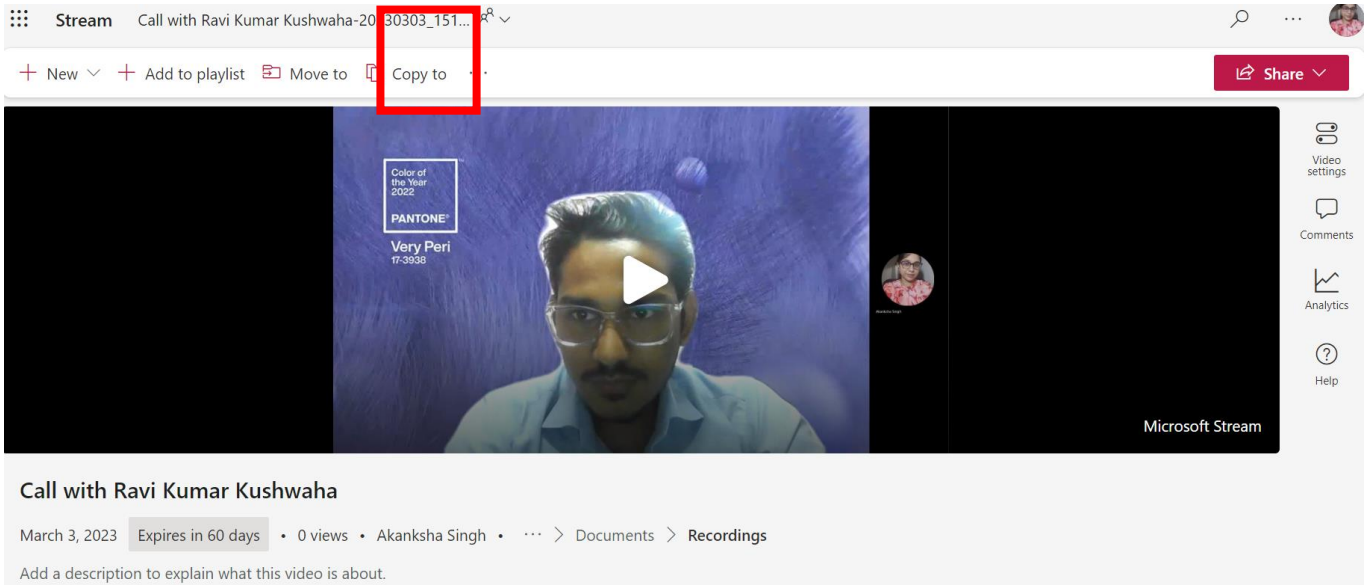
3. Recording will get saved in chat window of the meeting. Click on the three dots at right top of the saved recording.

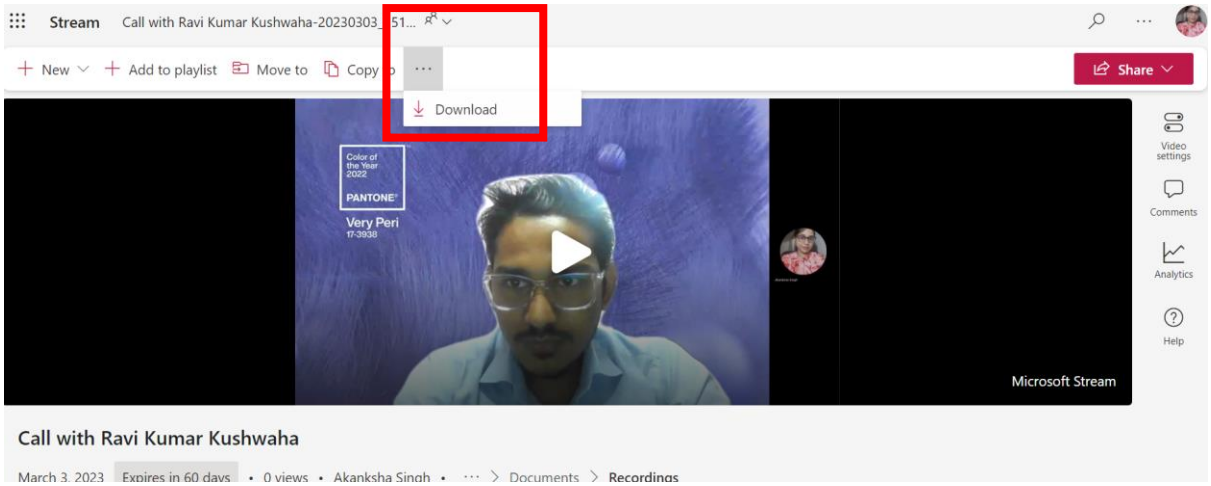


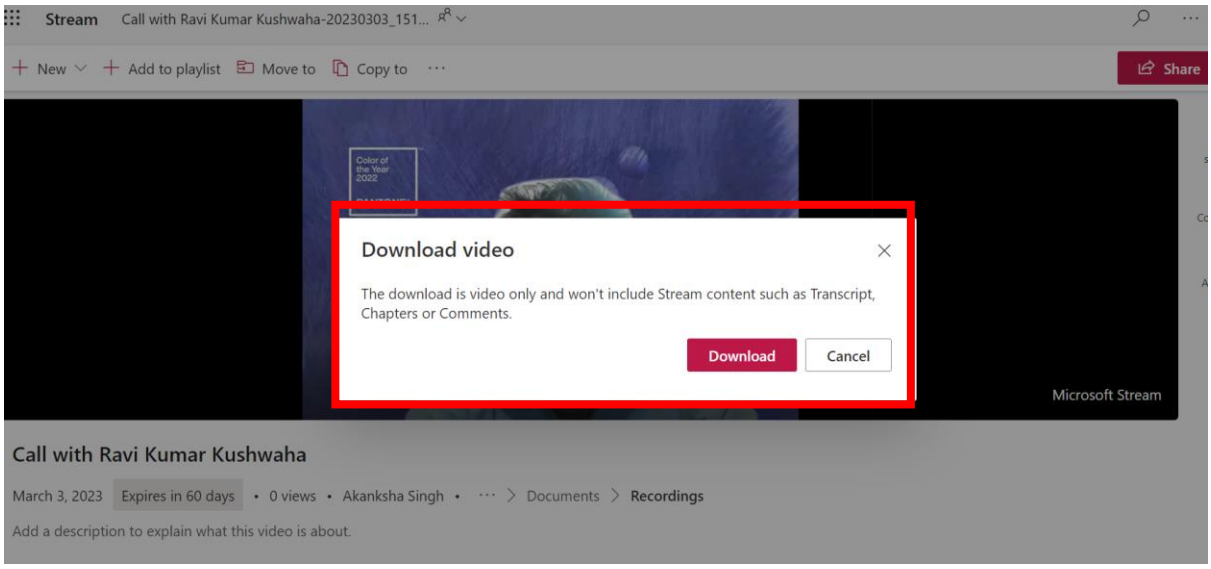
4. Click on **Open** to view the saved recording on Sharepoint.



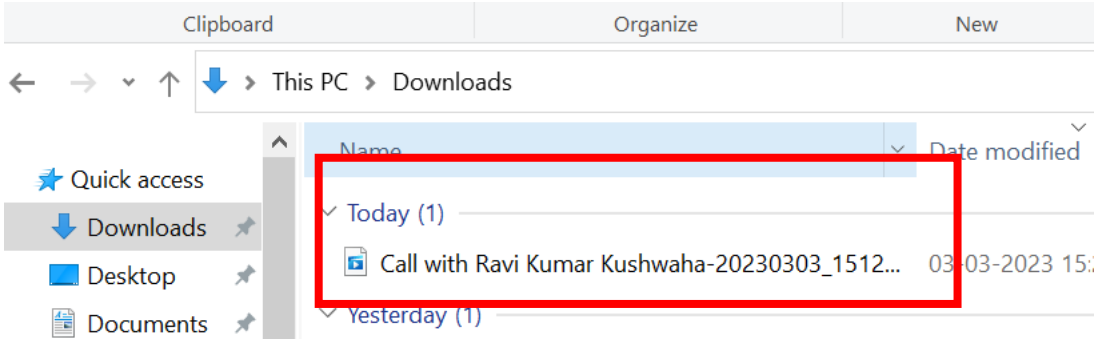
5. Click on the three dots over the video clip and **download.**



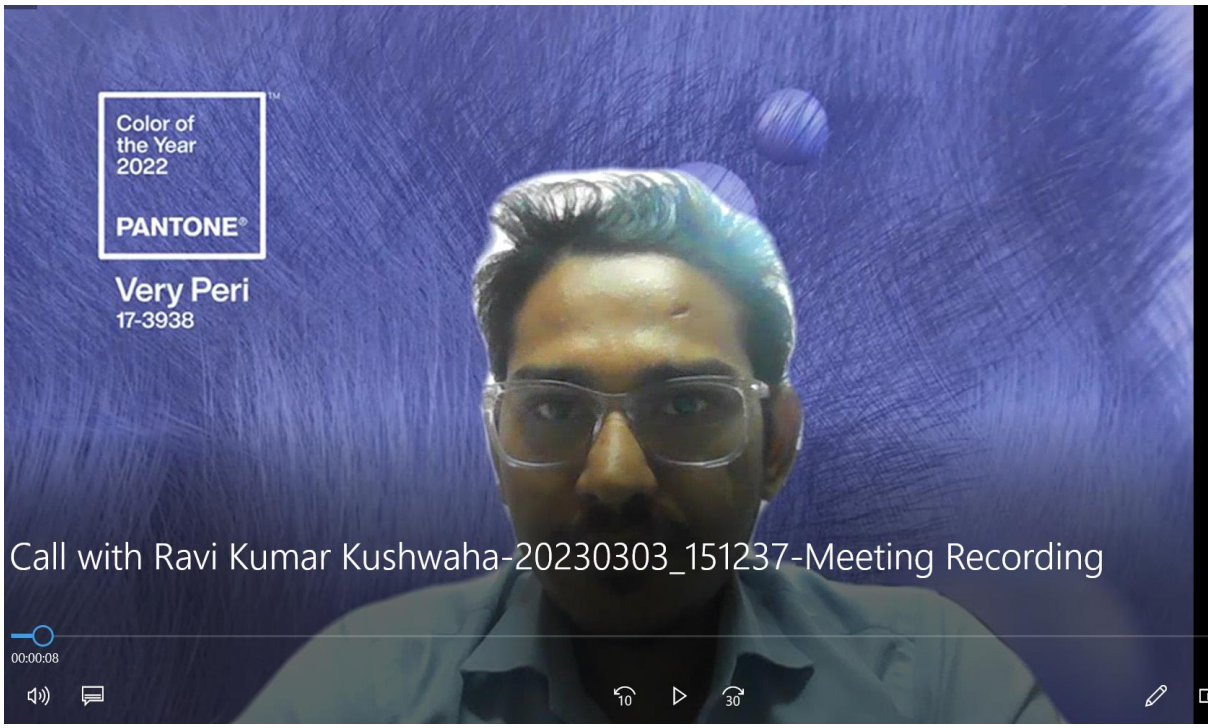




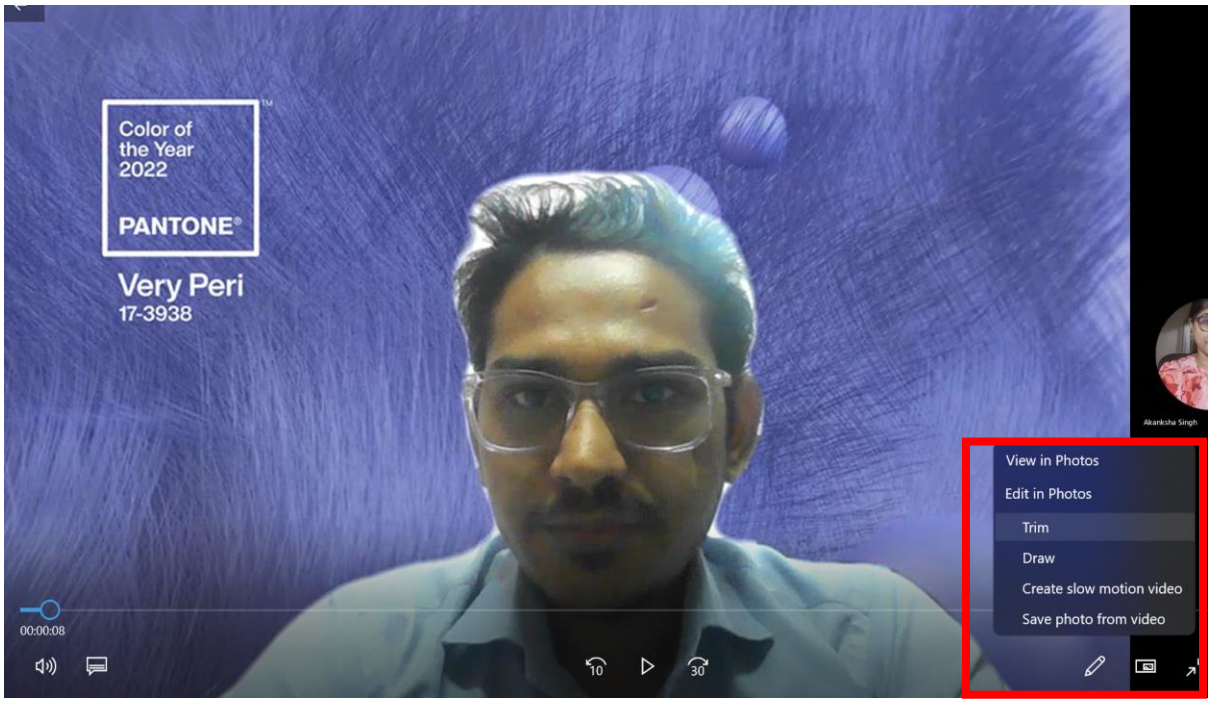
6. Video will be saved in your PC.



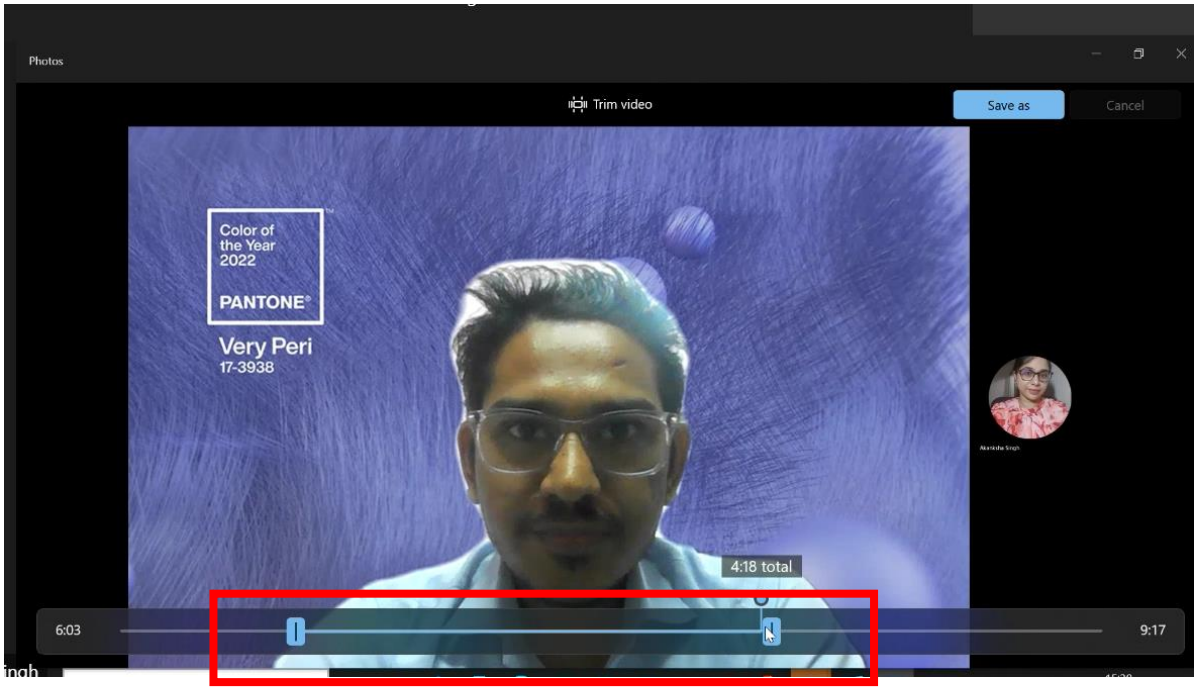
7. Play the video in media player.



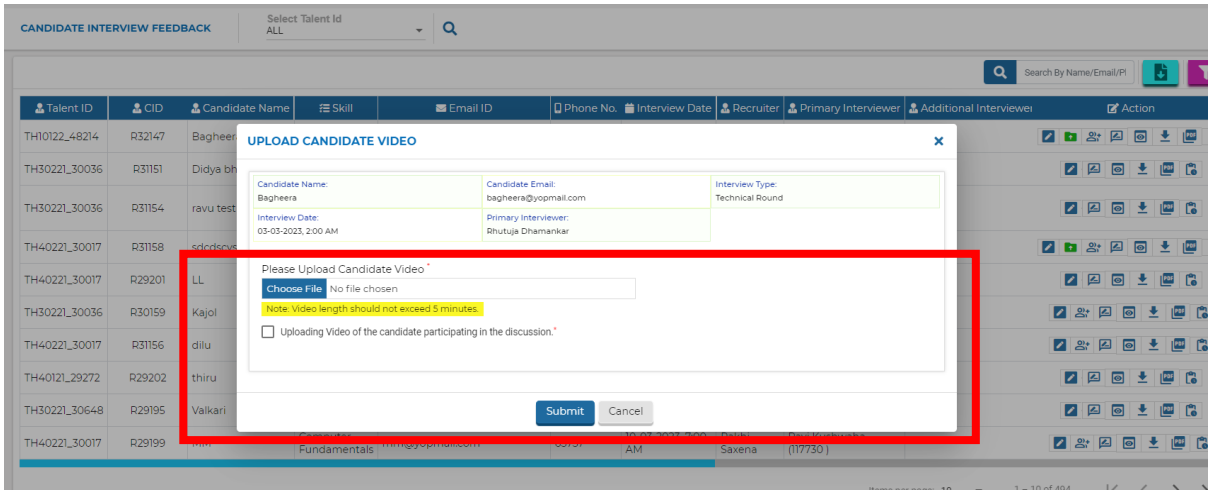
8. Click on the pencil icon at bottom right to edit and trim.



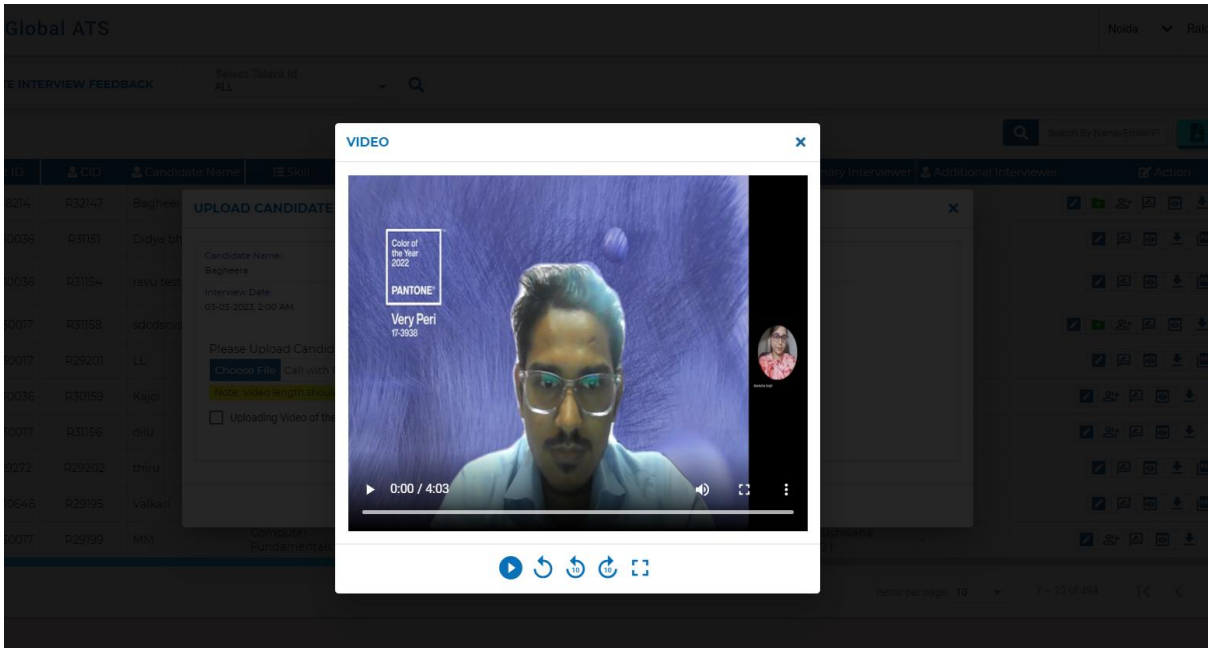
9. Adjust the two blue ribbons as per your requirement and Click on **Save as** to save the video clip. The midsection of the ribbons will show the length of the video that should not exceed 5 minutes. For the illustration purpose we have taken 4:18 length.

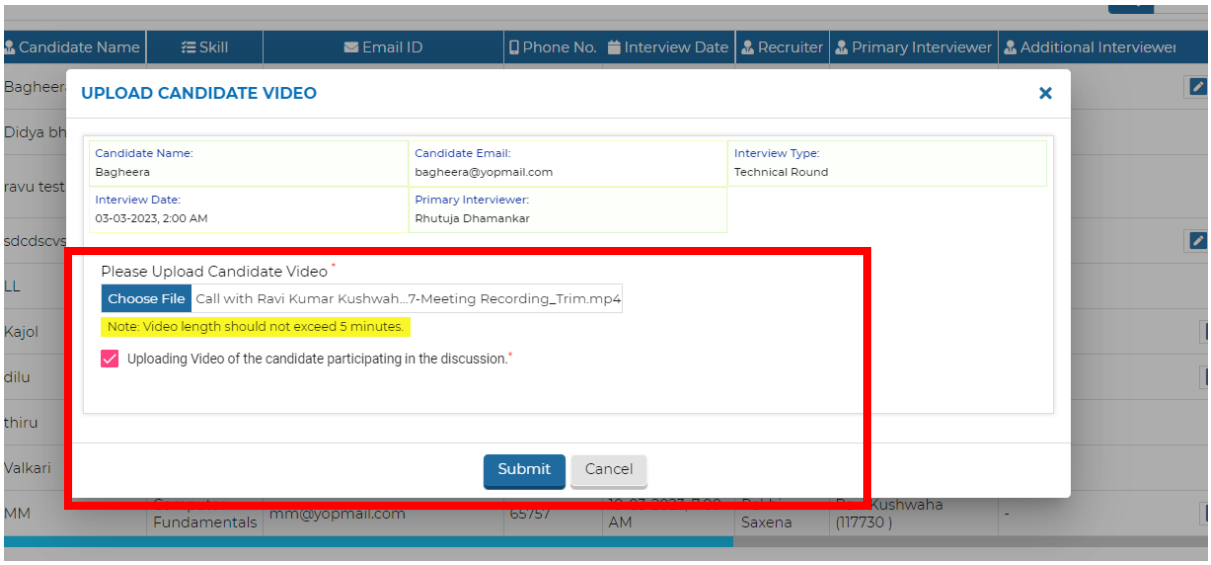


10. To upload the video, go to **interview feedback module.** Select upload video icon from Actions. Choose file from the saved location and upload.



11. System shows preview to verify the candidate's video. Once you are sure, Click the **X** button at the right top of video.





12. Tick the consent statement and submit.
